

# The Great Massachusetts 2018 Clean Up of Lakeville

Saturday, April 28 will be Lakeville's Clean Up Day!

The Lakeville Litter Lifters have organized a clean-up along with many towns in Massachusetts to celebrate the Earth. You can learn more about the Great Massachusetts Cleanup at [www.keepmassbeautiful.org/2018GMC](http://www.keepmassbeautiful.org/2018GMC). We will be reporting our total Lakeville bag pick up.

Consider joining us between 9AM and 11:45AM to pick up litter on a Lakeville roadside!

## HOW IT WORKS

1. Bags required are your common everyday 30 gallon plastic bag. Anything too large to fit into a bag will be counted as a bag...such as a tire, a sink, a toilet, a mailbox, etc.
  - How many bags can you and your friends or family pick up in this 2 hrs 45 minutes window?
2. Plan ahead for a pick up location. Contact us if you need ideas by emailing us at [LakevilleLitter-Lifters@hotmail.com](mailto:LakevilleLitter-Lifters@hotmail.com) OR calling 508-930-2020.
3. Drop off your bags at Tamarack Park on Bedford Street between 10AM & noon.
6. Join us at NOON at Tamarack Park for some homemade goodies to be shared to celebrate our hard work and the Great Massachusetts 2018 Clean Up of Lakeville!

## REMEMBER:

The Litter must be Lakeville roadside litter.  
Litter from your yard or home is not allowed!

**Be a Lakeville Litter Lifter, NOT a Lakeville Litter Leaver!**
