

AMERICAN SIGN LANGUAGE

Attention: Educators, first responders, OT, PT, educators, paraprofessionals, medical professionals, family members of the Deaf, hard of hearing, deaf/blind and non-verbal populations, DDS support staff, and you!

Earn professional development points and a certificate of completion

This program introduces the fundamentals of ASL and readies signers for conversational sign. Enjoy a journey into Deaf culture and learn

to sign without offending. This highly regarded program offers students a chance to learn ASL without the pressure of homework or exams! PERFECT for those wishing to communicate with our Deaf, hard of hearing and non-verbal populations!

(every session is completely different offering students the option of gaining a great amount of ASL literacy at a beginner level)

Join us for the next 4 week session!

Tuesdays Nov. 13, 20, 27 and Dec. 4
