|-----------------------------|---|
| Level I 10:30am | Complete beginners learning to get comfortable in the water. Learning points include blowing bubbles underwater, getting face and head wet, floating on front and back, scooping and kicking to move through the water. |
| Level II 11:00am | Intermediate swimmers looking to learn the basic strokes, movement and independence in the water. Learning points include swimming on their own using the doggie paddle stroke and back stroke. |
| Level III 11:30am | Advanced swimmers looking to expand their swimming ability. Learning points include learning a variety of strokes, swimming to the dock, and diving off of the dock. |

*Choose the level you think is best for your child and the swim instructors will evaluate all swimmers during their first lesson and make changes if necessary.
