**4. Farmers Market:** *Cindy met with Karen Blair past manager of Oliver Mills Farmers Market in Middleboro, Ma.*

*Karen could not attend this meeting. Karen commented to Cindy that liability needs to be addressed. Check if the town can cover this. She says the Farmers Market should meet weekly with a strong commitment from the Vendors for a regulars draw and consistency of customers. She recommends Frates Farm as a strong possible member. Son Scott is now managing the farm. Oliver Mills charged \$17.00 per week. We should pick a day not in conflict with other farmers Markets. Karen recommends the old town or Ted Williams park as good locations. She says to ask questions from potential vendors for their past experiences. Oliver Mills farmers Market had twelve regular vendors.*
