David Golden spoke with town council and general law is nothing that requires people to develop a plan and it is not in the towns interest to do that. Only requirement is if land is taken out and the land is being divided will a plan be required.

-New Business – David Golden made a recommendation to skip the July meeting because it is the slowest month and if something comes up that they need to meet about they can. Otherwise the next meeting will be on August 10<sup>th</sup>.
