### **Old Business:**

1. The proposals for Ward, Strobridge, and Hafford Cemeteries will be returned to South East Fence as accepted. These will be the first Spring projects.
2. Ken spoke to Paul Gargiulo of the Taunton Water Department re the water tie-in at Precinct Cemetery. Fred will follow up with the Taunton Water Department.
3. We still need an estimate for the repairs at McCully Cemetery. We will contact local fence companies.

### **New Business:**

1. We will need to seek estimates for the replacement of the fences at Precinct and Thompson Hill Cemeteries. We want to return the fences to the original granite posts and rods. This project would need to be submitted to Capital Expenditures for payment, due to the size of the project. We will ask the Historical Commission if they are aware of any grants that would pay for this project.

2. Ward Cemetery has no fence at all. We are unaware as to what type of fence it originally had. We will visit Ward after our next meeting.

The meeting was adjourned at 9:37 a.m.

The next meeting will be on May 9, 2017 at 9:00 a.m.
