Reviewed the COA April calendar and the upcoming events.

Received the grant for Tai Chi classes which have had a great turnout.

The attendance for the nutrition classes has declined slightly. We do not want to lose our grant for this program so we might be able to switch to something like cooking classes to spark more interest.

Paint class is going well. It will run through June and start up again in the fall.

Movies are now being shown 2 times per month.

Participation in the Valentines goody bag drive through dropped off slightly.

The St. Patrick's Day Corned Beef Dinner drive through was a great success with approximately 128 people participating. Bag pipe music was provided by Hilary Wood's sister.

Congregate meals are being offered every Thursday. May try to make some changes to get more interest.

Heart to Home Meals is offering a free hot lunch on April 12 for seniors of Lakeville. An RSVP is required as space is limited.
