**JOINT MEETING WITH THE BOARD OF SELECTMEN TO DISCUSS THE MASTER PLAN IMPLEMENTATION CHART**

*Selectmen Lia Fabian, Richard LaCamera and Lorraine Carboni were present for the discussion.* Chairman Fabian noted that the Master Plan Implementation Committee has requested that the Board review and approve the Master Plan Implementation Matrix. MPIC Chairman Dixon explained that he worked with the Town Administrator to make some changes to the Matrix as to the groups that are assigned the tasks. Selectman LaCamera reviewed with the Master Plan Implementation Committee his comments on the Matrix. Chairman Dixon explained the Master Plan Implementation Committee really needs to push this forward and get the Matrix into the hands of the people who will be working on this.

Selectman Carboni asked if the Planning Board has reviewed this with the Master Plan Committee. Chairman Dixon explained that there was no official meeting between the two (2) groups, but the Master Plan Implementation Committee does have Members from both the Planning Board and the Conservation Commission in their group. Selectman Carboni confirmed that the changes to the Matrix are minimal and only add the Open Space Committee to a couple of the goals. Ari Sky noted that the Matrix is a living document which will be adjusted as things progress. It is agreed that the Matrix needs to get into circulation, and the Board should vote the final changes on the Matrix, so that it can be distributed.
