

Town of Lakeville
MASTER PLAN IMPLEMENTATION COMMITTEE
Meeting Minutes
May 15, 2018

On May 15, 2018, the Master Plan Implementation Committee held a meeting at 7:00 PM at the Town Office Building. The meeting was called to order by Vice-Chairman Rogers at 7:00 PM. Members present: James Rogers, Rita Garbitt, Patrick Marshall, Fred Beal and Sylvester Zienkiewicz. Members Absent: Rodney Dixon and Keith Jensen. Also present: Jed Cornock from Southeastern Regional Planning and Economic Development District (SRPEDD). LakeCAM was recording the meeting.

Meet with Jed Cornock from SRPEDD to discuss the Public Workshop scheduled for Saturday, May 19, 2018 at 10:00 AM at the Library

Mr. Cornock distributed the Agendas for the Public Workshop. He will lead the introduction, which will take about thirty minutes, and explain what a Master Plan is and why it is important to develop a Master Plan. Then he will review the data such as population trends, household incomes, ages in the community, housing, economic data, etc. Depending on the number of attendees, we will separate into two (2) working groups, and he will lead the discussion about the overall vision. As thoughts and ideas are discussed, they will be put on lists around the room. At the end, we will have a voting exercise, and people will be able to vote on the ones they like the most. It will give us a sense of what people are thinking at the workshop.

Next, the handouts for Land Use, Natural and Cultural Resources, Services and Facilities, Other Goals and Priorities, Housing, Economic Development, Open Space and Recreation, and Transportation and Circulation will be discussed. The Workshop will last about two (2) hours. Eight (8) new maps will be on display: Zoning Map, Land Use Map, Habitat Map, Water Resource Map, three (3) Transportation Maps, and a Bike Transit Map. They will also show the surrounding communities. There will be staff from SRPEDD including himself, who will lead the discussion, Don Sullivan their Economic Development Specialist, Bill Napolitano their Environmental Specialist and support staff to take notes. A ten (10) page report will be done summarizing all of the activities done at the Workshop and the comments. There was further discussion about getting the word out.
