Location: Small Meeting Room
Middleboro Town Hall

Meeting called to order at 7:02 PM

Wardens Present: Bill Orphanos, David Cavanaugh, Brad Day, Bruce Chase, Ron Burgess

Absent: Tom Barron

Observers Present: None

Unanticipated:

None

New Business:

1. David made motion to accept minutes for the meeting of November 1, 2022. Ron seconded the motion.

Motion passed with a unanimous vote.

Old Business:

1. Ron described the river conditions as improving. He expressed concern about the section under the road has a significant slope which results in a shallow region below the upstream board. He wants to insure adequate water levels below the upstream board to insure herring passage in the spring. He is working on the boards to insure adequate depth in all sections.
2. Dave described Assawompset Pond to be at low springtime levels with a significant level of water going over the dam and the fish ladder.
3. Dave also discussed the work done at the channel above the Wareham Street fish ladder by Brad Chase with tow assistants from the Department of Marine Fisheries along with Tom Barron, Bruce Chase and himself. A large volume of vegetation was removed and the flow to the fish ladder was greatly improved.
4. No further information on development of the old DPW building on Wareham Street
5. Brad discussed plans for Channel D at Oliver's Mill Park.

Communications and Bills:

None

Dave made the motion to adjourn the meeting at 7:35 pm
