New Business:

1. Discussion of the DEP letter to the Middleborough Town Manager based on a citizen complaint about Oliver Mill. Trisha (Conservation Agent) provided a brief overview and history of the citizen complaint and DEP inspection. She summarized the DEP letter and our proposed response. Bill provided a brief perspective of our using the sandbags to prevent herring being trapped in false channels and willingness to work with all parties regarding the park in general. The Conservation Commission was supportive of our Commission. The Conservation Commission voted unanimously to have Trisha draft a response to the DEP letter and coordinate with our Commission.

Our portion of the meeting dissolved at 7:15 PM.
