

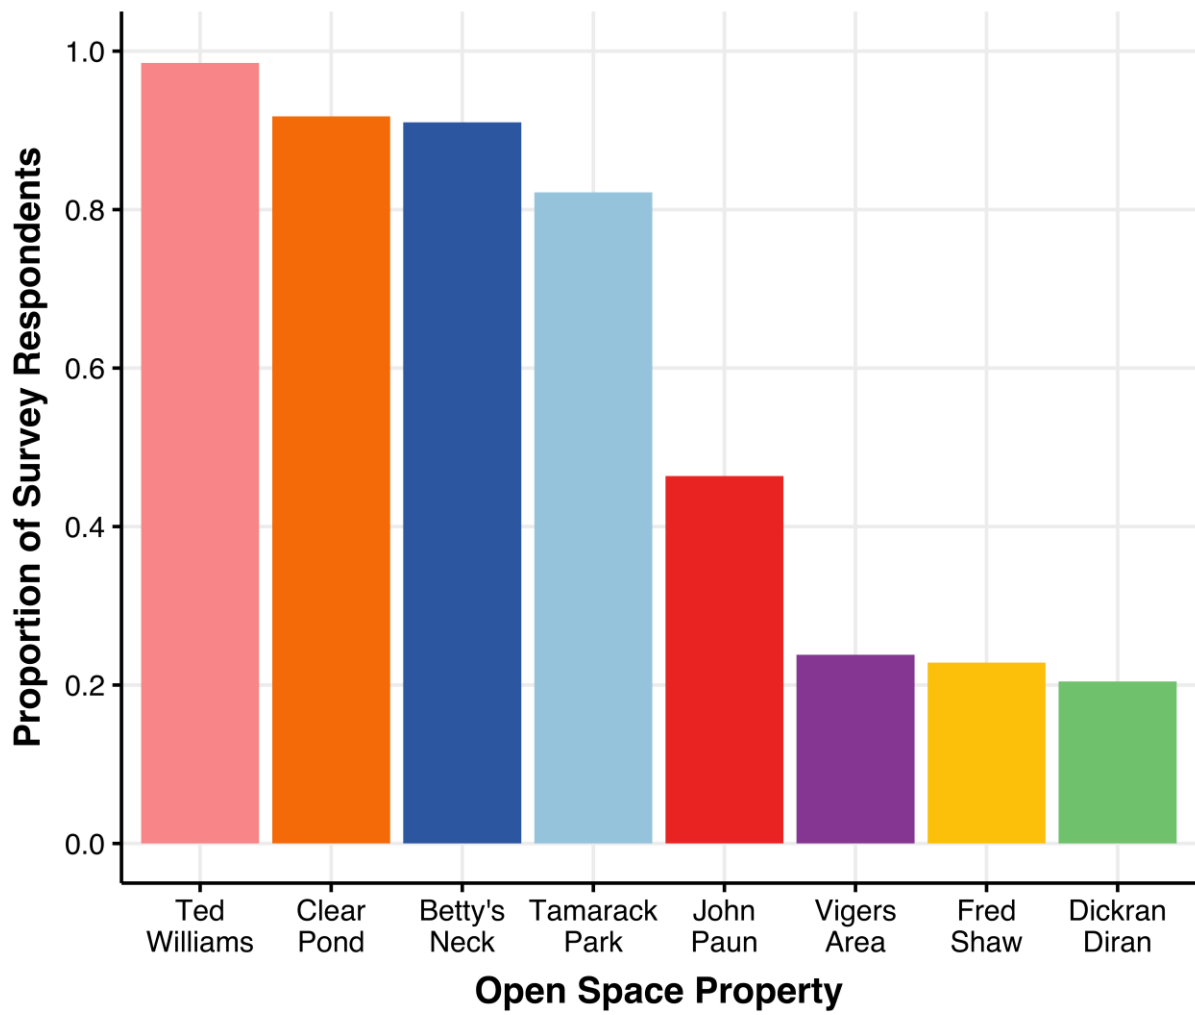

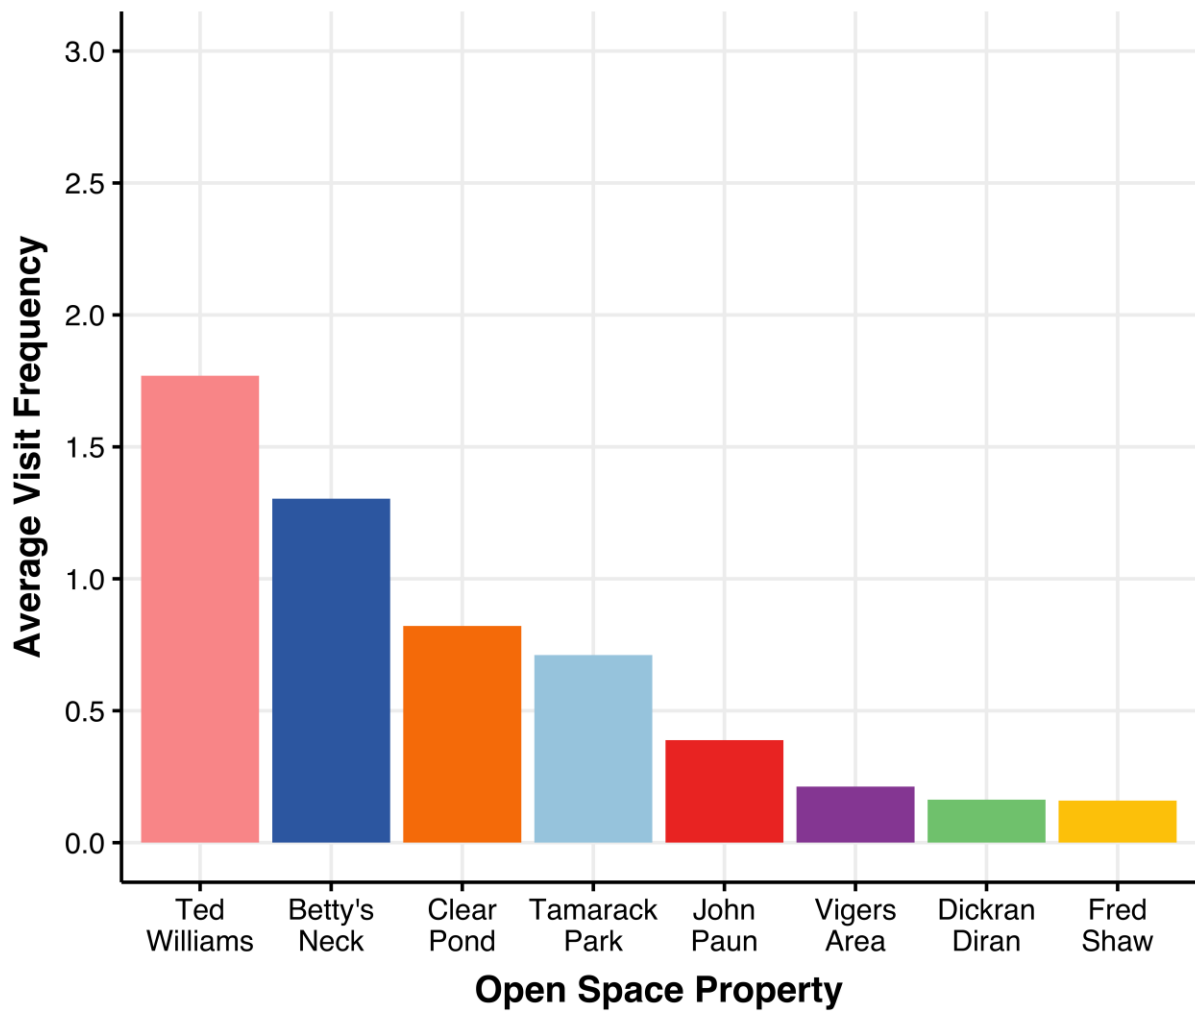

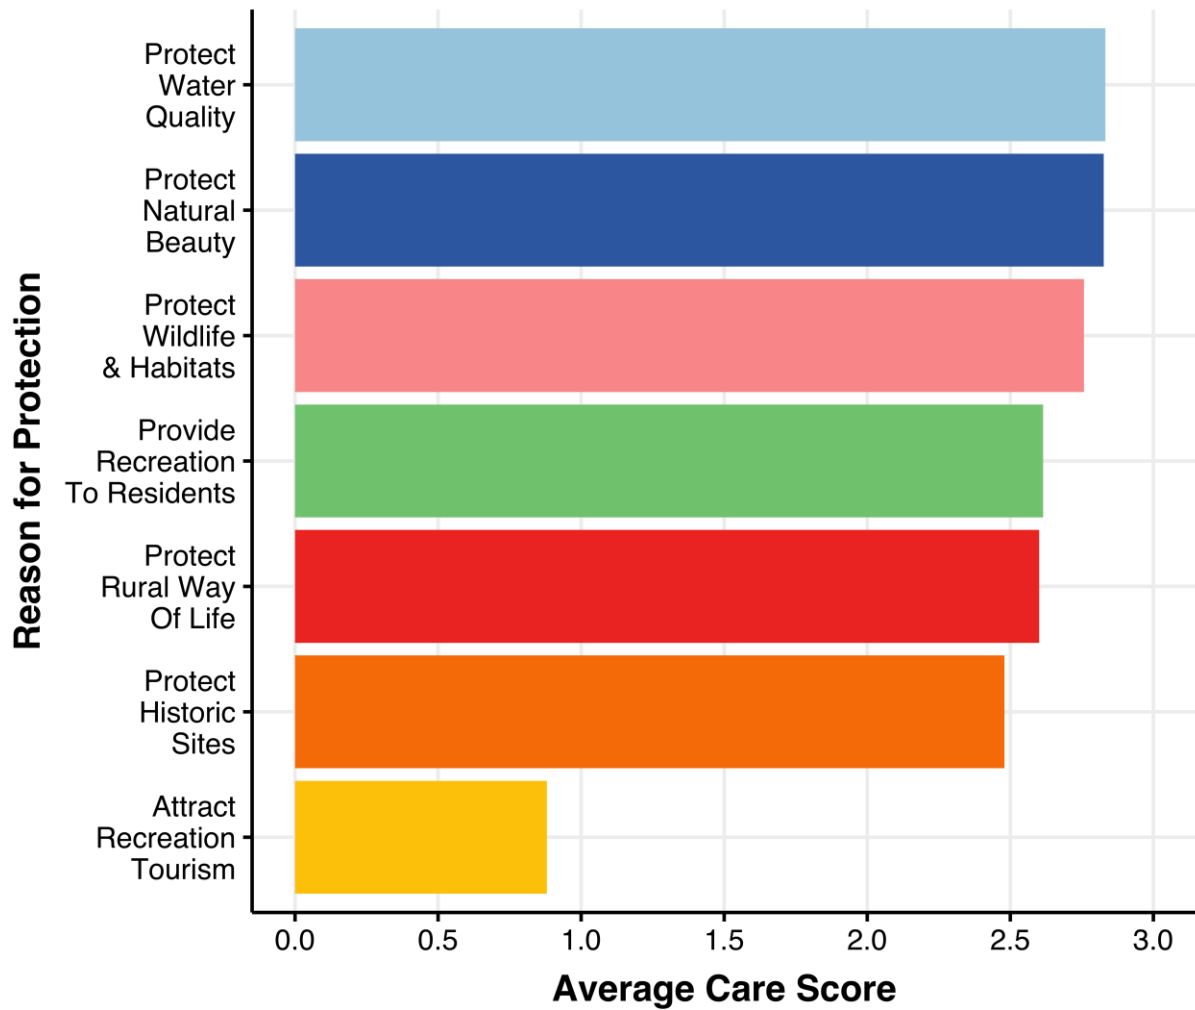

**Figure Z1.** Proportion of Lakeville Residents in the Census and Survey by Age Group.

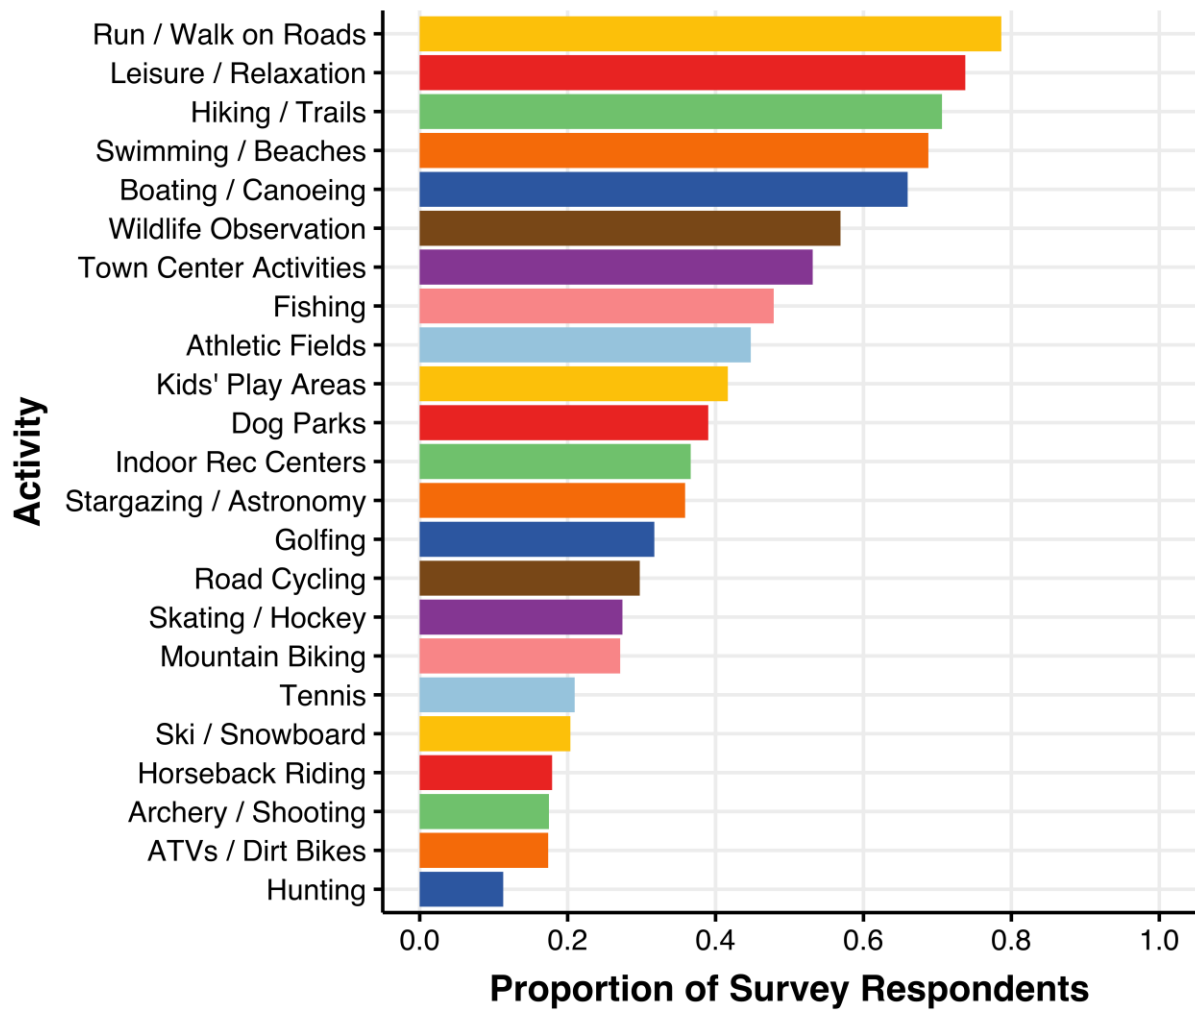

**Figure Z2.** *Proportion of Survey Respondents who have heard of each Open Space Property.*

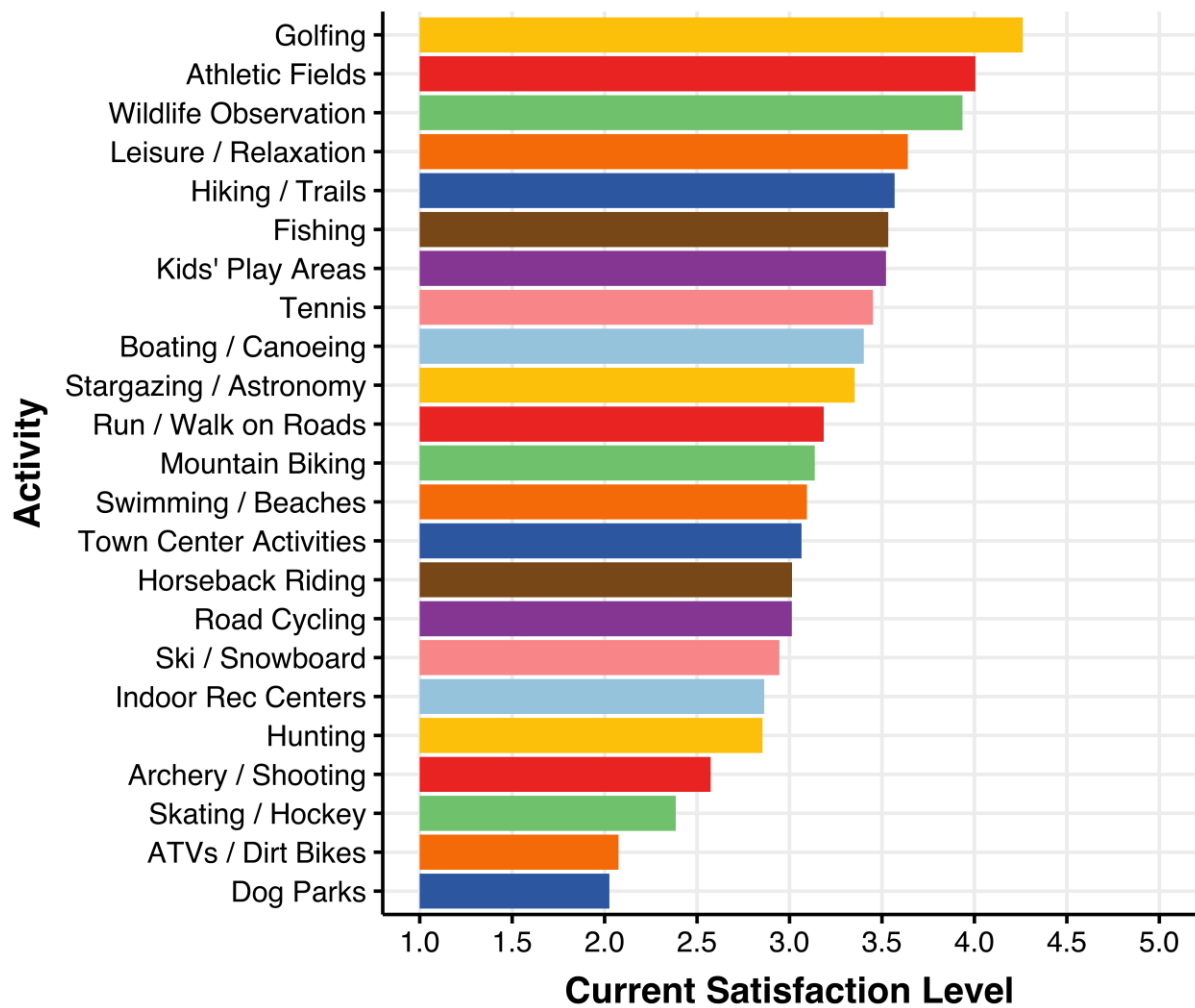

**Figure Z3.** Average Visit Frequency of a Lakeville family by Open Space Property. Note that Frequency is not the number of occurrences; see the text for its definition.

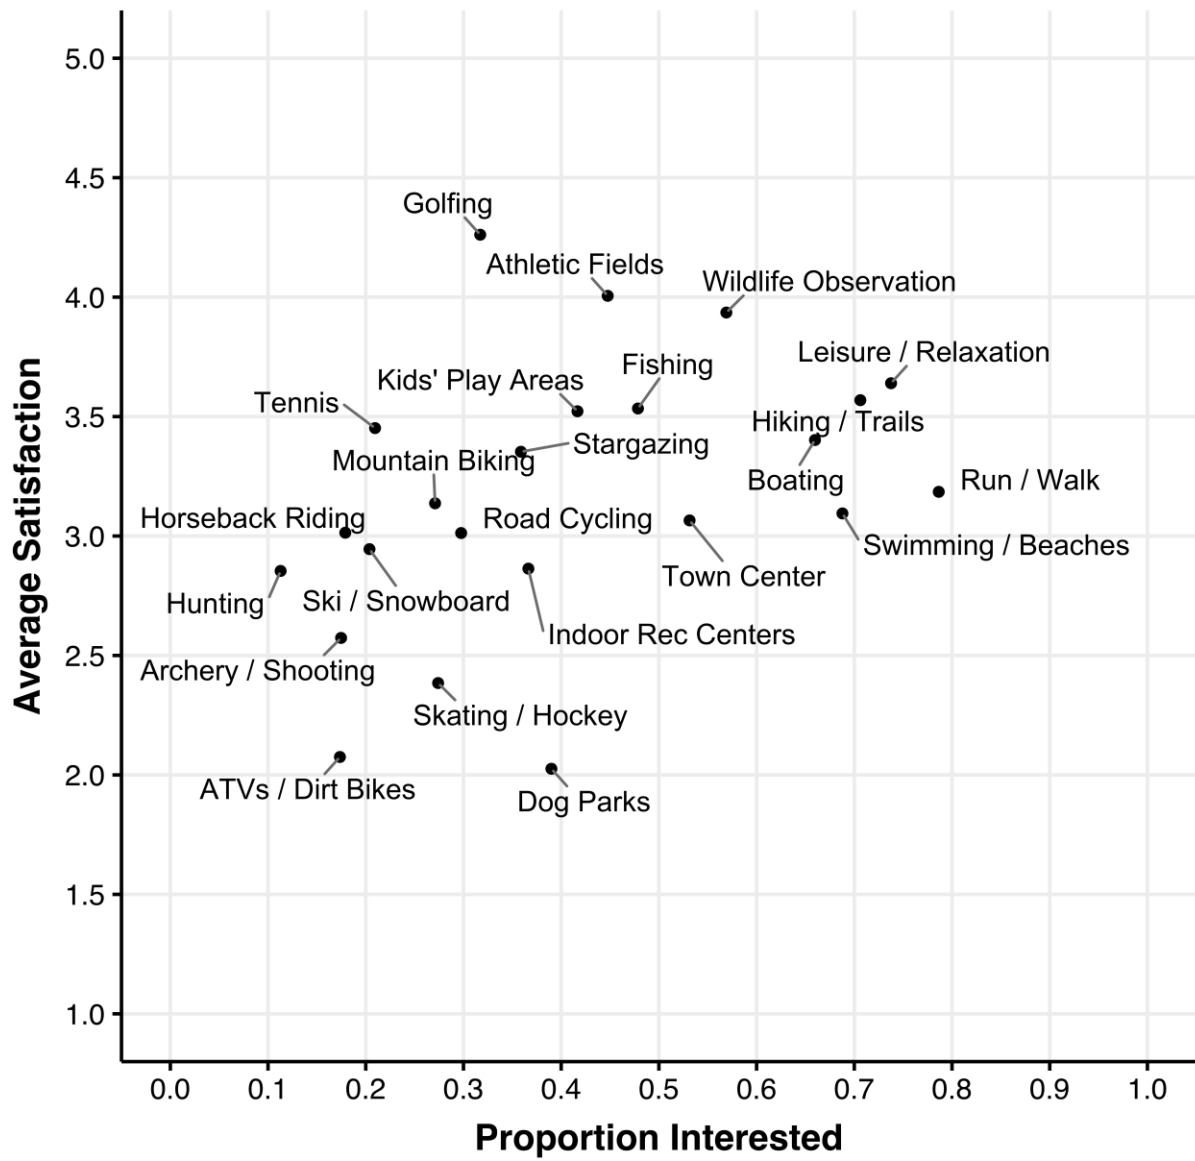

**Figure Z4.** Average Care Score for various potential reasons for protecting open spaces in Lakeville. See the text for how Care Score is defined.

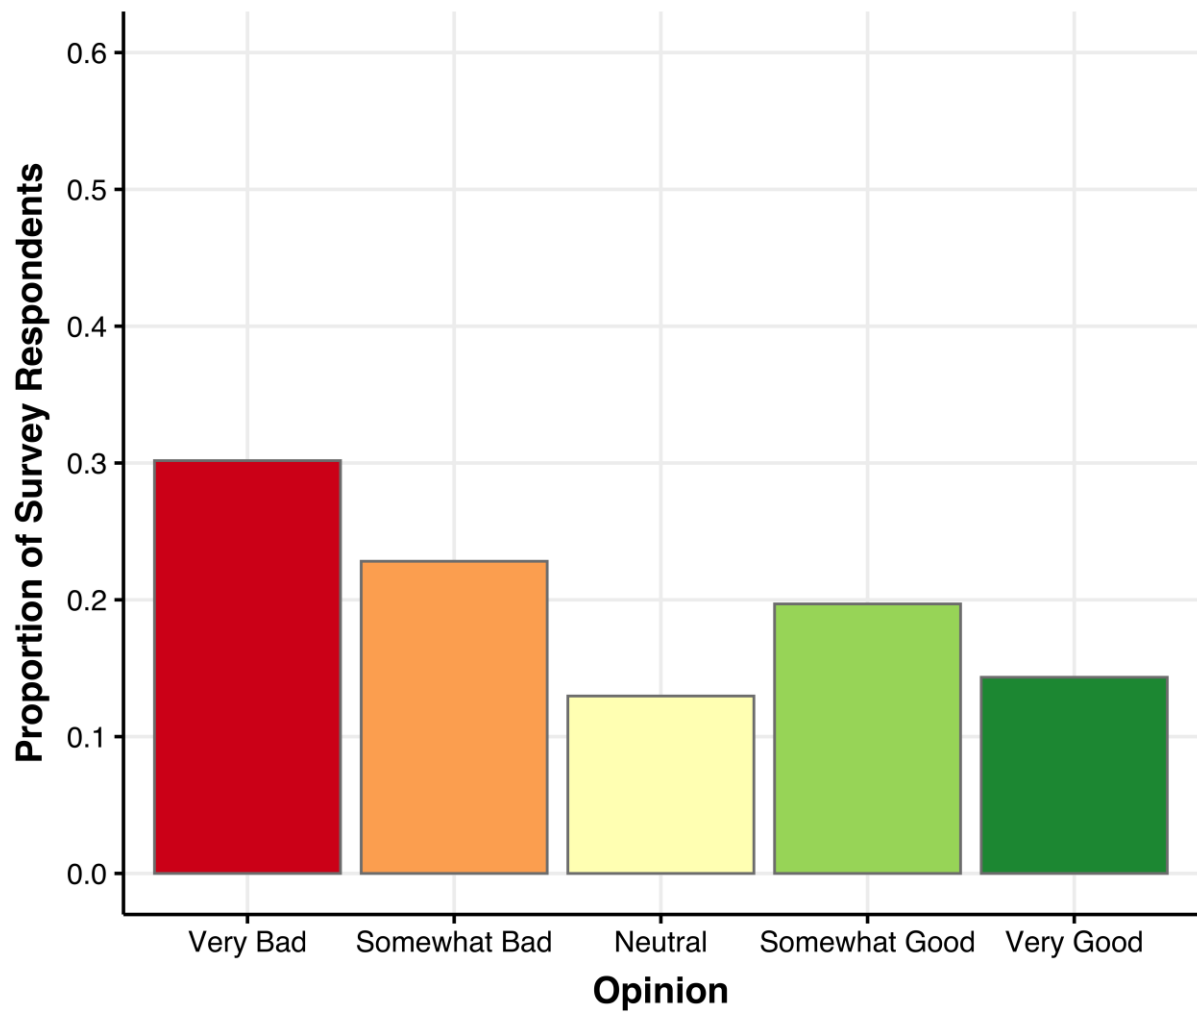

**Figure Z5.** Proportion of survey respondents for whom a member of their household either does or would like to do a given recreational activity.

**Figure Z6.** Average satisfaction level for each activity. “1” indicates “Very dissatisfied” and “5” indicates “Very satisfied”.

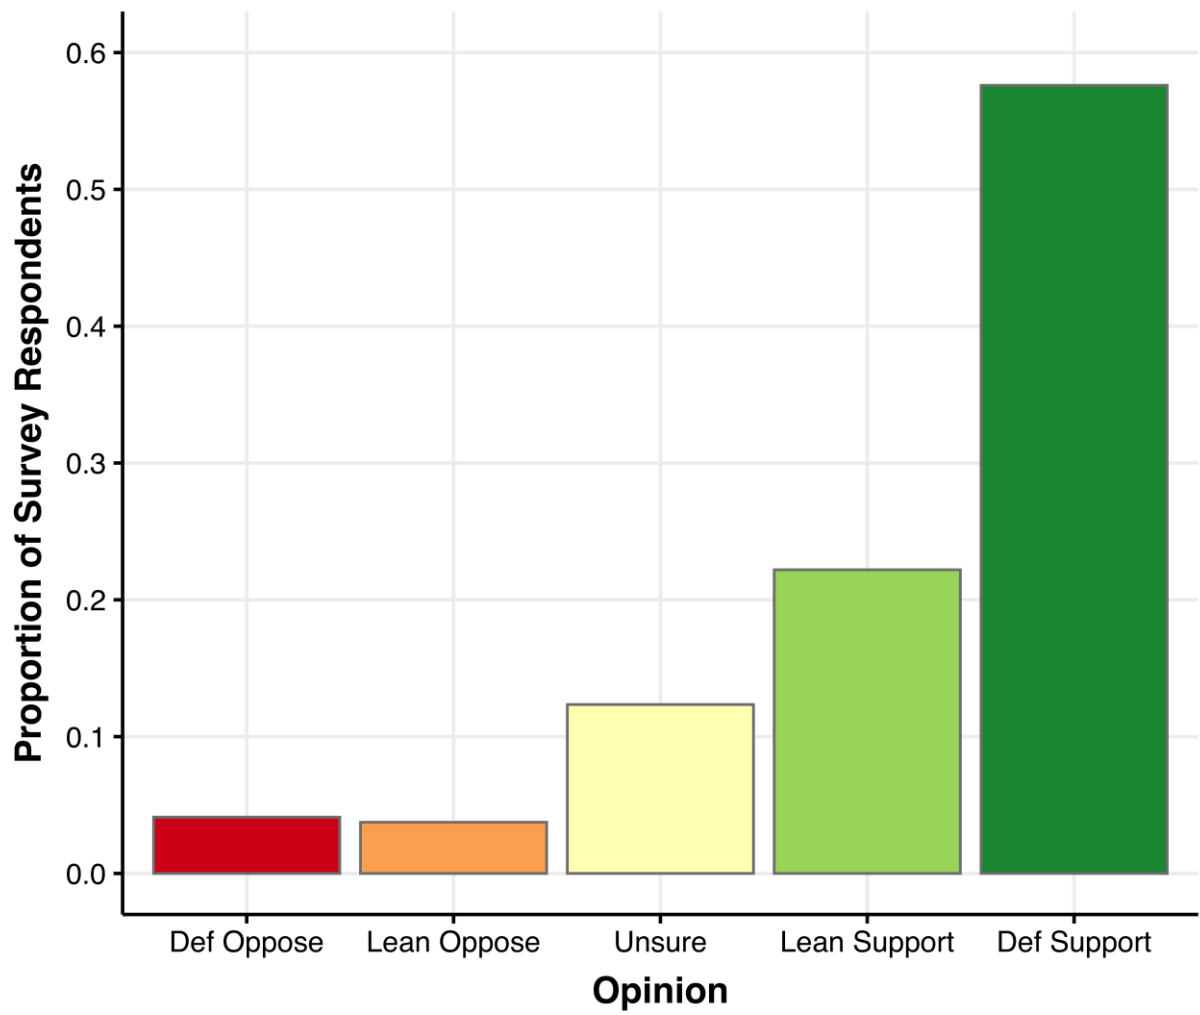

**Figure Z7.** Scatterplot of interest and satisfaction of recreational activities among respondents.

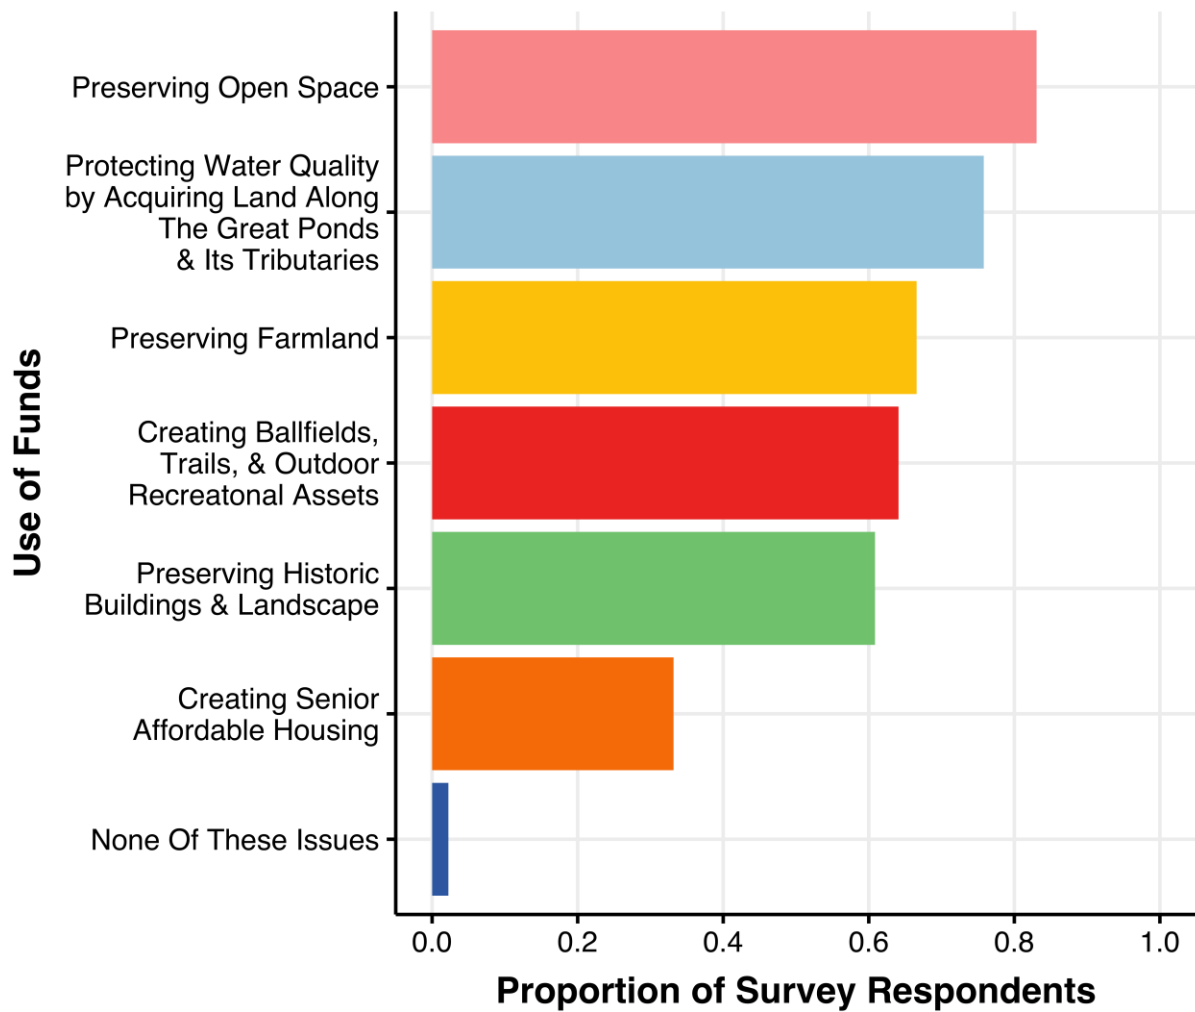

**Figure Z8.** *Opinions about the Lakeville Hospital site redevelopment for industrial use.*

**Figure Z9.** Proportion of residents who support or oppose adopting the Community Preservation Act in Lakeville.

**Figure Z10.** Proportion of residents who support the use of CPA funds for various purposes.

# Town of Lakeville

## 2021 Open Space & Recreation Survey

\$100 Raffle for Participants!

### **What is It?**

The Town of Lakeville is conducting a survey to get your opinion on open spaces and recreation areas in Lakeville.

### **How do I participate?**

Visit the link below on your computer, or find a paper version of the survey at the Lakeville Town Library or Senior Center by August 30.
