January minutes were read. Brian moved to approve them and Don seconded. Minutes approved.

Don gave us highlighted sections of Bourne and Bellingham's Open Space Plans. These showed recommendations related to SCORP (Statewide Comprehensive Outdoor Recreation Plan) for these towns. We should compare our plan to SCORP guidelines and determine what is important for our area.

We reviewed Linda's revisions, additions and updates to the OSP to respond to the State's recommendations. We will change only what we need for State approval.

We reviewed who would continue to work on what sections.

We will review the Action Plan at our March meeting.

We will try to have all work on the plan completed by April.

We reviewed the draft copy for the 2011 Town Report. Don moved to approve it and Brian seconded. Joan will send it in the correct format to Tracie.

We reviewed the site plan for the expansion of the Back Nine Club clubhouse and parking lot. We had no comment.

We received a memo from the Selectmen re whether we have members who do not regularly attend meetings. They want to know who these members are and they will be approached to see if they want to continue to serve.

Don moved to adjourn at 8:24 p.m. Linda seconded. Meeting adjourned.
