Minutes for October read and amended. Noted that the charge is still under discussion. Brian moved to accept minutes as amended; Joan seconded. Vote unanimous.

Open Space Plan status: Don is still incorporating Table 8 and updates into final formatted version. Committee discussed how many final copies to be made. Decision was made to give to:

State: 1 printed and 1 CD

SRPPD: 1 printed

Library: 2 printed and 1 CD

Planning Board: 1 CD

Selectmen: 2 CDs

Park Commission: 2 CDs

Open Space Committee: 2 printed and 2 CDs

Website link administrator: 1 CD

Committee reviewed plan as PDF on Don's computer and worked on a few formatting issues. Don will negotiate with an acquaintance to make 12 printed copies and CDs (with soft cases) of the plan.

Committee reviewed model open space design bylaw that is now part of the State's Smart Growth/Smart Energy Toolkit. Mike will forward it to the Planning Board with a note that we think this is of interest and that we would like them to consider it. We would be willing to meet with them to discuss it.

At 8:55 p.m. Don moved to adjourn; Joan seconded. Meeting adjourned.
