November minutes were read and approved.

We have received a conditional approval letter from the state. We reviewed what we have to do to get the Open Space Plan approved. Committee members chose specific items to work on.

We need to send word to the selectmen that we have conditional approval and that we will have the completed plan back to the state by March.

Joan will review "Project Plan for the Development of the Pickens Street and Bedford Street Areas".

We will wait to work on the Action Plan until we have completed what we need to do to have The Open Space Plan approved.

Don moved to adjourn at 8:20 p.m. Linda seconded.
