

Lakeville Open Space Committee July 2, 2009 7:30 p.m.

Members present: Jaime Velasquez, Brian Reynolds, Linda Grubb, Mike Schroeder, Don Foster

Member absent: Mike Renzi

Minutes for May 7 and 14 were read. Joan moved to approve; Brian seconded.
It was noted that we now have Section 5 for review.

We reviewed updating still needed for Section 4 and noted that all sections need review for updating. Linda requested that everyone read over her section. She wants to work about a month on updates and hold any press release until all updates are done.

It was noted that Cindy McRea will have Traci correct our website address which should be Open.space@lakevillema.org

There is a South Coast Rail workshop on Community Wastewater Systems on Wednesday July 8, 6 to 8 at the Lakeville Library.

Don spoke about the Town coming before the Board of Appeals for variances for the water tower, such as setbacks. The Town is in a hurry to get the plan in in order to meet Stimulus Package deadline.

Don move to adjourn (time not noted); Joan seconded.
