Reviewed OS plan assignments: Joan turned in revised Community Goals. She will be reviewing parts of Section 5 with Jaime. Don turned in the survey. He still has his part of Section 3 to complete. Mike turned in Section 4 on CD, some parts still needing work. CD's for Lakeville PPA/PPA and the Regional Open Space Plan are ready for posting on the town web site.

Our email address: openspace@lakevillema.org.

Linda has written a letter to C. Marre, the director of TRWA to request an extension for spending our TRWA grant money for OS Plan printing costs.

We will not try to do any more forums for public input on the Open Space Plan but will publicize our website, how to access it and the importance of open space and recreation plans.

We are still working on taking photos pertaining to Parks and Recreation for the Town web page.

To get the ball rolling on the Action Plan we will each prepare a revised Action Plan for next meeting.

Horsley-Whitten is looking for 2 communities to work with them to develop laws and regulations for water protection. They would like to work with Lakeville. Don moved that we promote this, Joan seconded. Vote unanimous. We will notify Joanne Michaud that we want it to happen and will recommend it to Selectmen. There will be no cost to the community.

Joanne has sent to NHESP a rare plant observation form for Sabatia Kennedyana found on Ted William's Camp on the shore of Loon Pond.

Mail included: a memo that 2009 annual Meeting warrant articles are due March 9, TRWA minigrant applications (we will not apply this year), the Farmland Valuation Advisory Commission's recommended values for FY 2010, and a letter from EOT/Commuter Rail pertaining to workshops on sewer, water and housing, and economic development issues (we will let them know we are interested in attending).

Next meeting will be April 9.

9:10 p.m. Don moved to adjourn. Brian seconded. Meeting adjourned
