Members present: Brian Reynolds, Joan Morton, Linda Grubb, Mike Schroeder, Don Foster

Members absent: Mike Renzi, Jaime Velasquez

Reviewed status of sections of Open Space Plan being worked on. Linda reminded us that Joanne Michaud as agreed to format the text.

The historical resources and inventory to be included needs fleshing out and we need to know what the Historical Commission wants for historical preservation.

Discussed that we can put Section 3, 4 and 5 on the website as soon as Mike S. has proofread her section 4 rewrite. We still need Section 7.

Mike S. will revise Section 9 to send to Boards and will send to Committee when Column 3 is redone so comments on what has been accomplished relative to each goal can be written in.

We still need Jaime's section 5 and need a cover letter.

Nancy Yeatts joined us. We talked about water tower to store ½ million gallons and provide pressure. She told us we will borrow 48 million over 30 years and will offset with lawsuit payments. She said may eventually develop well site and get ½ mg/d from it.

Adjournment time not noted. Next meeting to be June 4.
