

Lakeville Open Space Committee November 6, 2008 7:30 pm

Members present: Joan Morton, Brian Reynolds, Linda Grubb, Jaime Velazquez, Mike Schroeder, Mike Renzi

Read minutes for October 9. Joan moved to accept, Mike Renzi seconded. Minutes approved.

Decided to cancel November 23 forum as not enough student response. Linda will contact Gazette to pull notice. Mike S. will notify school and give text of announcement. Discussed that need to improve forum/quests concept, perhaps make quests as map, come up with motivational redesign. We will try again in the Spring. Mike S. will contact teacher Ruth Ann Sensabaugh to see if she would get involved. Mike R will work on motivational presentation.

Discussed Forum December 4. members will try to come up with ideas by Friday as it must go into paper by Thursday.

We may use Ted Williams Camp and have:

- 1) roundtable discussion with the quests
- 2) stargazing
- 3) exhibits as planned for Nov. 23
- 4) objectives to present as protecting the night sky, appreciating and protecting the natural wealth that we have

Survey update: Linda will send analysis. Members need to review it.

Plan: Rough drafts need to be done by the end of December.

Discussed that need to review the new Natural Heritage map Linda will draft a letter asking how changes were decided.

Chapter 61 forum coming up in Berkley.

Time of adjournment not noted.
