

Lakeville Open Space Committee November 10, 2011 7:30 p.m.

Members present: Linda Grubb, Brian Reynolds, Don Foster, Joan Morton, Dan Hopkins

Members absent: Mike Schroeder, Mike Renzi

October minutes were read and approved.

Signed bill to pay Linda for printing of OS Plan.

Don made a motion to allow Linda to pay bills without having to wait for the committee to sign them. Brian seconded. Motion passed.

We have grant money to have copies of the OS Plan printed.

We have had no response from The Planning Board. Don will email Jim Marot for letter from the board.

We discussed how to proceed with the Action Plan.

The Selectmen were not very responsive to the OS Plan review and comments/suggestion from the Committee re properties to be auctioned. The Selectmen will decide which properties will be auctioned off at their own discretion.

Don gave Tracie “parsed down” versions of the appendices.

We are awaiting a reply from the state with comments and necessary corrections. OS Plan will remain valid for seven years from the date of the approval letter.

Don moved to adjourn at 8:05. Brian seconded. Meeting adjourned.
