In accordance with the provisions allowed by Chapter 2 of the Acts of 2023, the **3/12/2024** public meeting of the **Cable TV Advisory Committee** will be held remotely. **However, to view this meeting in progress, please go to facebook.com/LakeCAM (you do not need a Facebook account to view the meeting). This meeting will be recorded and available to be viewed at a later date at <http://www.lakecam.tv/>**

1. Discuss and possibly approve the meeting minutes of April 20, 20023. (Bill Hoeg was not present at the 4-20-2023 meeting, and thus, will abstain)
2. Discuss and possibly approve the meeting minutes of July 11, 2023.
3. The long-term licenses of both Comcast and Verizon were successfully negotiated and signed in 2023. Thus, the Cable Advisory Committee meets infrequently when a situation arises which needs the committee's attention. Because there might be several months between meetings, we will discuss the possibility of reading the prepared minutes of this meeting, and without objection, vote to approve today's minutes as the meeting concludes. Doing so will prevent months of delay in approving said minutes, and satisfy regulations.

Please be aware that this agenda is subject to change. If other issues requiring immediate attention of the CABLE TV ADVISORY COMMITTEE arise after the posting of this agenda, they may be addressed at this meeting.
