

2022 - New Street Changes of Precincts

To comply with Massachusetts General Laws, Lakeville was required to make changes to our existing precinct borders to balance the population among the precincts, thus balancing the representation. This is referred to as "Reprecincting." The result of the changes to precinct borders means some Lakeville voters will be voting in a different voting precinct in Lakeville than where they last voted.

The change to precincts is effective for the April 4, 2022 Annual Town Election and all elections thereafter.

Street #'s & Units	Street Name	Original Precinct	New Precinct
