### NOTE: New Procedure to Check-In at the Annual Town Election

To accelerate the check-in process at Lakeville's Annual Town Election this year, check-in will now be accomplished by use of electronic Poll Pads. The use of these tablets will allow our election officers to check in a voter:

1. By manually entering the first three (3) letters of the voter's first and last name; or
2. By scanning the bar code on the back of the voter's driver's license. In this case, the Poll Pad matches the name and birth date of the person on the voter list with the name and birth date it reads from the bar code on the back of the license. No information from the scanned license is retained by the Poll Pad. The Commonwealth of Massachusetts does not require that a voter present a license to check in at any Elections and Town Meetings.

The Poll Pads immediately talk to one another, eliminating any chance of a voter checking in more than once.

A true record,

ATTEST:

Lillian M. Drane, MMC/CMMC,  
Town Clerk
