Minutes of the July 9, 2019 meeting were read and approved.

Old Business:

1. There is a possible discrepancy with the rows on the survey of Strobridge Cemetery. Ken will contact John Pink to discuss this.

2. 20 additional row markers have been received from Andover Marking Company for the work at Strobridge Cemetery. We will mark the rows at Precinct Cemetery at a later date.

3. Painting of the rods at McCully, Keith and Clark Cemeteries by Troy Gonsalves is ongoing. We will have him assist with placing the row markers at Precinct Cemetery.

4. Ken will contact South East Fence to install the rods at Thompson Hill. We will repurpose the white vinyl fence as boundary fences along the back and sides of Precinct Cemetery.

5. No work has been done on any of the awarded contracts.

6. We need to go to Dartmouth to pick out granite posts to finish the divider fence between Thompson Hill and Precinct Cemeteries. 18 posts are needed to complete the center line.

New Business:

1. A motion was made, seconded and passed to require a completion date for all contracted projects going forward.
2. Lots 12 and 13 at Strobridge Cemetery have been sold.

3. Commissioner Morton is reviewing deeds for town owned Cemeteries. We will put together a list for the taking of Cemeteries not owned by the town, after consultation and advice from town counsel. Chairman Upham stated that it would be acceptable if someone wanted to keep a cemetery on private property and maintain it themselves.

4. All outstanding invoices were approved for payment.
